“A copy of the ‘exact electronic record of the data written to each memory card’ used in Windham for the November 3, 2020 election per RSA 656:42 VIII. (a) –

*Before each election, the vendor for any electronic ballot counting device shall provide the secretary of state with an exact electronic record of the data written to each memory card to be used in the election.”*

**Amended Response:** The Secretary of State’s Office has the data for the Windham memory cards for the 2020 General Election. The data is included in the record that was produced from the vendor. The record is attached to this Amended Response.

Sincerely,
