SETTLEMENT AGREEMENT AND RELEASE

This Settlement Agreement and Release is made and entered into this 30th day of December 2021, among Centene Corporation and each of its subsidiaries (“Centene”), including but not limited to, Granite State Health Plan, Inc. and NH Healthy Families, Inc. (together “Granite State”), Centene Management Company, (“CMC”), and Envolve Pharmacy Solutions, Inc., (“Envolve”) (collectively referred to as “Centene Entities”), and the Attorney General on behalf of the State of New Hampshire, the New Hampshire Department of Health and Human Services, and all other state departments and divisions, agencies, bureaus, plans, councils, commissions or programs of the State of New Hampshire for which the Centene Entities provided any pharmacy benefit or service, or which paid or reimbursed any of the Centene Entities for providing such a pharmacy benefit or service or which has jurisdiction over such a pharmacy benefit or service (hereinafter collectively referred to as “Attorney General,” “State of New Hampshire” or the “State) (the Centene Entities and the State of New Hampshire, collectively referred to as the “Parties” or “Settling Parties”). This Settlement Agreement and Release is intended by the Settling Parties to fully, finally and forever resolve, discharge and settle all potential claims arising from or in any way related to the pharmacy business of the Centene Entities in New Hampshire during the defined time period running from January 1, 2016, to the execution of this Settlement Agreement and Release (the “Settlement”).

WHEREAS, the State has been reviewing the operations of Granite State and its Pharmacy Benefit Manager, Envolve;

WHEREAS, the Centene Entities expressly deny liability, any wrongdoing, and/or any violation of any federal or state statute or regulation or common law;

WHEREAS, the State acknowledges Centene's good faith and responsible corporate citizenship in reaching this resolution;

WHEREAS, while the State believes that the Centene Entities have provided high quality pharmacy benefit services to the State and are qualified to continue to provide such services, the State requires full transparency from the Centene Entities around the costs and fees associated with those services paid for by the State;

WHEREAS, the Parties have investigated the facts and have analyzed the relevant legal issues regarding concerns raised during the State's review;

WHEREAS, the Parties have each considered the costs and delays associated with any continued review, and have reached an agreement to resolve any and all claims, filed, unfiled, or which could be filed, arising from or in any way relating to the Centene Entities' provision of pharmacy benefits or services in connection with any Health Care Coverage provided by Centene Entities and/or conduct that could have been alleged by the Releasors;

WHEREAS, the Parties believe the Settlement set forth herein (i) avoids the uncertainties of continued review and assures that the benefits reflected herein are obtained and (ii) is fair, reasonable and adequate and in the best interest of the people of the State of New Hampshire;

WHEREAS, the State and Centene Entities agree that neither this Agreement, nor any statement made in the negotiation, thereof shall be deemed or construed to be a concession as to any claim, an admission, evidence of any violation of any statute or law, evidence of any

liability or wrongdoing by one or more Centene Entities or Releasees, or evidence of the truth of any of the claims or allegations made during the review;

WHEREAS, arms-length settlement negotiations have taken place between the Centene Entities and the State; and

NOW, THEREFORE, IT IS HEREBY AGREED by and among the State and Centene Entities, by and through their respective counsel, that there is a settlement between the State and the Centene Entities as set forth below.

Furthermore, this release shall not in any way prevent Centene Entities from seeking indemnification against its insurers. As used in this paragraph, “affiliates” or “affiliated” means entities directly or indirectly controlling, controlled by or under common control or ownership with a Releasee.

- h) “Released Claims” means any and all claims of any nature, including the State’s state and federal statutory and common law claims, in law or equity, that could have been brought by any Releasor related to or arising out of in any way the Covered Conduct both known or unknown, except, Released Claims” shall not include any claims which arise from the following: (i) any audit, review, or other action taken by the United States Government or by the State as required by Federal rule, law or state plan requirement for the management of the Medicaid Program, including administrative action by the State or the members unrelated to Covered Conduct, (ii) any claim brought by the State for, or on behalf of, individual members who receive Health Care Coverage for willful, wanton, or reckless conduct towards the management of the individual member’s care, or (iii) any data breach.

B. Settlement Amount and Other Obligations of Settling Parties.

1. Each Party will be responsible for its own costs, expenses, and attorneys’ fees.
2. Following the Effective Date at the times and manner set forth below, the Centene Entities shall cause payments in the total aggregate amount of Twenty One Million, One Hundred Forty Eight Thousand, Eight Hundred Twenty Two Dollars and Thirteen Cents (\$21,148,822.13) (“Settlement Amount”) to be made to the State of New Hampshire. The Settlement Amount shall be paid in two equal installments. The installments

shall be paid by wire transfer to an account at the New Hampshire Department of the Treasury in the manner to be directed in writing by the Attorney General pursuant to the Notice provisions of this Agreement. The first installment shall be paid within forty-five (45) days of the Effective Date and the second installment shall be paid no later than one year following the first installment. In no event shall the aggregate total of the amounts paid pursuant to this paragraph exceed the Settlement Amount. The Centene Entities' obligation to pay each installment of the Settlement Amount shall be fully satisfied and extinguished upon completion of the wire transfer deposit of such installment into the State account as directed by the Attorney General. The Centene Entities shall have no obligation with respect to any allocation or distribution of the Settlement Amount among Releasers or counsel.

3. It is expressly agreed by the Settling Parties that the Settlement Amount to be paid pursuant to this Agreement fully and completely satisfies any repayment or reimbursement obligation (including any amount that may need to be paid to the federal government) of any Releasees that arise from or relate in any way to the Covered Conduct and the Released Claims that are being released pursuant to this Settlement.

4. The Centene Entities agree to assist the State in calculating the appropriate allocation of the Settlement Amount should the federal government assert a claim against the Settlement Amount.

5. The Centene Entities further acknowledge an obligation to comply with the requirements of New Hampshire's laws when engaging in the operation or delivery of, or receiving payment for, any managed care pharmacy benefit or service in or affecting New Hampshire, and agree that they will do so in the future with respect to any managed care pharmacy benefit operations they conduct in New Hampshire, or reports they make concerning

such operations to the State or any other Releasers. Pharmacy benefits and services shall continue to be delivered in the normal course of business pursuant to the terms of any contracts existing between the Parties as of the Effective Date. The Centene Entities have previously adopted certain business practices and agree to continue such business practices providing full transparency related to the adjudication and payment of all pharmacy benefit claims, including the provision of such information as is required to permit the State to discern, on a claims level, the exact amount paid to the pharmacy for each pharmaceutical claim.

6. For the avoidance of doubt, nothing in this Agreement shall be construed or used to prohibit the Centene Entities, or any of them, in any way whatsoever from taking legal or factual positions in litigation or other legal or administrative proceedings or from providing extrajudicial statements made in the context of such litigation or other legal or administrative proceedings.

7. Other than as set forth in this Settlement and Release which shall be binding upon the Parties as of the Effective Date, the contracts currently existing between the parties shall remain in full force and effect.

C. Settlement of Claims and General Release. The Settling Parties hereby agree to settle the Released Claims. The State contends that the review was initiated to protect the legitimate interest of the State and other Releasers, and the State and other Releasers agree that settlement on these terms is in the statewide interest. The Centene Entities maintain they have operated in New Hampshire in compliance with all applicable laws and regulations and that the Centene Entities provided the highest quality healthcare and added value to the Medicaid program, but also agree that settlement on these terms is in all parties' interest. On the Effective Date of the Release, Releasers hereby release the Releasees, and shall be deemed

to have fully, finally, forever and permanently released, remised, acquitted, held harmless, relinquished and discharged with prejudice all Released Claims, and shall have covenanted not to sue any Releasee with respect to any such Released Claim, and shall be permanently barred and enjoined from instituting, reinstating, maintaining, commencing, or prosecuting any such Released Claim against the Releasees, including any administrative action related to the Released Claims, including mandatory or permissive exclusions from the State's Medicaid Program related to the Released Claims, and the releases as set forth herein shall be given full *res judicata* effect. Releasors shall be deemed to have released all Released Claims related to the Covered Conduct, including all claims of any and all state departments, divisions, agencies, bureaus, plans, or programs of the State regardless of whether any such Releasor ever seeks or obtains, by any means, any distribution under this Agreement. Releasors shall be deemed to have released all Released Claims against the Releasees that are or could have been brought by Releasors for the Covered Conduct, including the State's state and federal statutory, regulatory, and/or common law claims, in law or equity, and by any other person acting or purporting to act in *parens patriae*, sovereign, quasi-sovereign, private attorney general, qui tam, taxpayer or any other capacity on behalf of any Releasor. By way of further clarification, with the exception of termination for cause for reasons related to the Released Claims or Covered Conduct, nothing in this Agreement shall be construed or used to prohibit the New Hampshire Department of Health and Human Services from exercising any termination rights provided in the contract between the New Hampshire Department of Health and Human Services and Granite State Health Plan, Inc. Nothing in this agreement shall be construed or used to prohibit the New Hampshire Department of Health and Human Services from exercising its authority to

administer the Medicaid program in compliance with the agreements, laws, rules, and state plan provisions required and/or agreed to by the Federal Government.

D. Good Faith Settlement. To the extent necessary under applicable law to extinguish claims for contribution and/or indemnity against any Releasees for the Released Claims due to a contribution or indemnity claim by a third party based on the Covered Conduct, the Releasers further agree: (i) to obtain a determination from a court of competent jurisdiction that this Settlement is a good faith settlement, and/or (ii) reduce any judgment Releasers might recover against any person or entity other than any Releasee by release and discharge in an amount, fraction, portion, or percentage necessary under applicable law to bar, eliminate, or satisfy claims against the Releasees for contribution and/or indemnity to the fullest extent permitted by applicable law that arise from, or in any way relate to the Covered Conduct released herein.

E. Enforcement of the Agreement. Any Party may bring an action in New Hampshire State Court in accordance with Paragraph H.3. to enforce the terms of the Settlement (or for a declaratory order construing any term contained in the Settlement) with respect to disputes, alleged violations, or alleged breaches. It is within the New Hampshire Court's discretion to enter either a declaratory or enforcement order and such order is subject to appellate review.

F. No Admission of Liability. The Settling Parties intend the Settlement as described herein to be a final and complete resolution of all disputes between them, and it shall not be deemed an admission by any Settling Party as to the merits of any claim or defense or any allegation made, or which could have been made, related to the review. The Centene Entities each deny any wrongdoing and any civil or criminal liability with respect to any review or inquiry

by any Releasor. Therefore, this Settlement cannot be used as the basis for any administrative liability, including mandatory or permissive exclusions from the State's Medicaid Program. By way of further clarification, with the exception of termination for cause for reasons related to the Released Claims or Covered Conduct, nothing in this Agreement shall be construed or used to prohibit the New Hampshire Department of Health and Human Services from exercising any termination rights provided in the contract between the New Hampshire Department of Health and Human Services and Granite State Health Plan, Inc. Nothing in this agreement shall be construed or used to prohibit the New Hampshire Department of Health and Human Services from exercising its authority to administer the Medicaid program in compliance with the agreements, laws, rules, and state plan provisions required and/or agreed to by the Federal Government.

G. Miscellaneous Provisions.

1. **Use of Agreement as Evidence.** Neither this Agreement nor the Settlement, nor any act performed or document executed pursuant to or in furtherance of this Agreement or the Settlement: (i) is or may be deemed to be or may be used as an admission of, or evidence of, the Covered Conduct, or of any wrongdoing or liability of Releasees; or (ii) is or may be deemed to be or may be used as an admission of, or evidence of, any liability, fault or omission of the Releasees in any civil, criminal or administrative proceeding in any court, administrative agency or other tribunal. Neither this Agreement nor the Settlement, nor any act performed or document executed pursuant to or in furtherance of this Agreement or the Settlement, shall be admissible in any proceeding for any purpose, except to enforce the terms of the Settlement, and except that the Releasees may file this Agreement in any action for any purpose, including, but not limited to, in order to support a defense or counterclaim based on principles of *res*

judicata, collateral estoppel, release, good faith settlement, judgment bar or reduction or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim.

2. **Voluntary Settlement.** This Settlement Agreement and Release was negotiated in good faith and at arms-length and the exchange of the Settlement Amount for the release set forth herein is an exchange of reasonably equivalent value.

3. **Resolution of Disputes.** Any disputes between or among the Centene Entities and the State (or their counsel) concerning matters regarding the Settlement Agreement and Release shall, if they cannot be resolved by negotiation and agreement in the first instance, be referred to the New Hampshire Courts for resolution. Prior to any referral to the Courts, any dispute must first be raised in a written notice that meets the requirements of Paragraph G.5 below. Within 30 days of the written notice, the parties must begin engaging in good faith negotiations. Within 30 days of the written notice, during any subsequent period of good faith negotiations, any applicable limitation period related to the dispute shall be tolled. In the event good faith negotiations do not begin within 30 days of the written notice, either party may refer the matter to the New Hampshire Courts for resolution. No filing with the Courts can occur prior to at least 30 days after delivery written notice as specified in this paragraph.

4. **Authorization to Enter Settlement Agreement and Release.** The undersigned representatives of the Centene Entities represent and warrant that they are fully authorized to enter into and to execute this Agreement on behalf of Centene Corporation, Granite State and Envolve, and each of its Centene subsidiaries, and the Centene Entities have the power and authority to enter into and perform this Settlement Agreement and Release, and the execution and performance of this Settlement Agreement and Release has been duly authorized by all requisite corporate or other legal action. The Attorney General, on behalf of the State, represents

and warrants that he is expressly authorized by the State and all state departments, divisions, agencies, bureaus, plans, or programs of the State, to take all action required or permitted to be taken pursuant to this Agreement to effectuate its terms and to enter into and execute this Settlement Agreement and Release binding upon all Releasors.

5. **Notices.** All notices to counsel under this Agreement shall be in writing. Each such notice shall be given by (i) e-mail and (ii) registered or certified mail, return receipt requested, postage pre-paid; and shall be addressed to counsel at their addresses set forth on the signature page hereof. In the event counsel for the Centene Entities changes, the Centene Entities will provide prompt notice to the Attorney General of the contact information of new counsel to whom notices under this Agreement should be sent.

6. **Tax.** All amounts paid (or actions taken) by Centene pursuant to this agreement are for restitution or to come into compliance with the law within the meaning of those terms under 26 U.S.C. section 162(f) and Treas. Reg. § 1.162-21. No portion of any amount paid under this agreement constitutes a fine, penalty, punitive damages, disgorgement of profits beyond restitution, or an amount paid in settlement of any claim for any of the foregoing.

7. **Binding Agreement.** This Agreement shall constitute a final resolution upon the Effective Date. This Agreement shall be binding upon, and inure to the benefit of, the successors and assigns of the Settling Parties.

8. **Confidentiality.** The terms of the Agreement will remain confidential until such time as the Effective Date. Nothing herein prevents the Settling Parties from disclosing the terms of the Settlement to those necessary in connection with normal business reporting practices, including New Hampshire's right-to-know law, and to obtain the necessary authority to execute the Agreement.

9. **Choice of Law.** Any dispute arising from or in connection with the completion and execution of the Settlement Agreement and Release shall be governed by New Hampshire law without regard to its choice of law provisions.

10. **No Conflict Intended.** The headings used in this Agreement are intended for the convenience of the reader only and shall not affect the meaning or interpretation of this Agreement. Further, where the context so requires, terms used in the singular in this Agreement shall be deemed to include the plural and vice versa.

11. **No Party Deemed to be the Drafter.** None of the parties hereto shall be deemed to be the drafter of this Agreement or any provision hereof for the purpose of any statute, case law or rule of interpretation or construction that would or might cause any provision to be construed against the drafter hereof.

12. **Amendment; Waiver.** This Agreement shall not be modified in any respect except by a writing executed by all the Settling Parties hereto, and the waiver of any rights conferred hereunder shall be effective only if made by written instrument of the waiving party. The waiver by any party of any breach of this Agreement shall not be deemed or construed as a waiver of any other breach, whether prior, subsequent or contemporaneous, of this Agreement.

13. **Execution in Counterparts.** This Agreement may be executed in one or more counterparts. All executed counterparts and each of them shall be deemed to be one and the same instrument. Counsel for the parties to this Agreement shall exchange among themselves original signed counterparts and a complete set of executed counterparts shall have the same force as a fully executed original Agreement.
